To all House Of Kolor® Customers,

RE: NEW RELEASE – HOK1151030 – PRODUCT CATALOG – FEATURING SHIMRIN2

House of Kolor proudly announces the release of our new Product Catalog, part number HOK1151030.

This new catalog is the latest creation from the undisputed custom paint market leader. Our new catalog contains information on all of our new products including, among others, Shimrin2® Coast to Coast compliant Universal Bases. Shimrin2® is made simple with easy reference mixing charts, mixing equipment guide, and kustom order form included in the catalog. Satisfy your craving for kolor with 600 new high definition Shimrin2® Digital Kolor Shapes, and arm yourself with the House of Kolor knowledge you need to turn your next kustom kreation into the ultimate show stopper.

Item #	Description	Case	WD / Jobber / User
HOK1151030	Product Catalog	10 Catalogs per pack	\$25.00 per pack (10)

Thank you for your continued support and business.

Best regards and good selling,

General Manager – House of Kolor
