

## 5 STAR ADVANTAGE® AUTOBODY PRODUCTS

### TECHNICAL DATA INFORMATION

**DATED: MAY 2020**

#### PRODUCT NUMBER

#3526 Filler Primer –Gray (Aerosol)      15oz.      6/cs

#### DESCRIPTION:

5 STAR ADVANTAGE's Gray Filler Primer minimizes the appearance of deep surface scratches on metal surfaces. Durable and tough, it dries fast so you can form a thick, sandable base coat in no time. The large fan sprayhead eliminates the need for a spray gun on small repair jobs, and reduces your cleanup time.

#### FEATURES:

Minimize Appearance of Deep Surface Scratches  
Quick Dry

Large Fan Spray Head  
Provides Thick Basecoat

#### SUGGESTED USES:

Fenders  
Fiberglass body panels  
Bumpers

#### DIRECTIONS:

*The sprayhead provides a horizontal and vertical fan spray that can be changed by turning the nozzle clockwise or counter clockwise.*

1. Surface must be clean, dry and free of rust before painting. Protect surrounding areas from spray mist. For best results, use when can is between 50°F and 90°F (10°C and 32°C).
2. Shake can at least one minute after rattle is heard and occasionally during use.
3. Spray surface with steady even strokes at a distance of 6 to 10 inches (15 to 25cm). Several light coats give a better finish than one heavy one. Can be sanded or topcoated in 15 minutes.
4. If clogging develops, turn sprayhead . turn or remove and clean sprayhead slot. DO NOT stick pin or other objects into can opening. With can and sprayhead pointed away from you, reinsert sprayhead with a gentle twisting motion.
5. To clear sprayhead for future use, turn can upside down and spray for 3 seconds. Completely empty cans may be recycled or disposed of with regular trash. Dispose of partially empty cans responsibly. DO NOT incinerate or compact.
